To all Bond Chairmen and Chairwomen:

We are attaching a duplicate letter from Mr. Spinney to be substituted for the one previously given to you.

Through a desire to forward this letter expeditiously, the original letter did not contain your address nor formal salutation. Because so many chairmen have expressed the desire to retain this letter as a permanent memento, we have substituted this more complete and formal salutation.

Dear Miss Falk:

It is with a great deal of pleasure that I present to you, in behalf of your fellow employees and the Treasury Department, this certificate marking your outstanding services to your country in the Fourth War Loan Drive.

Given the largest quota CPNY has ever been asked to fill, you not only quickly reached it, but attained a grand total of \$642,000! The results of this Drive are a testimonial to your untiring, intelligent and sincere efforts to do a good job. That you not only did the job splendidly, but achieved hitherto unattained results must surely bring you the sense of fulfillment and achievement which are the intangible rewards men live by. More than any acknowledgment or thanks I can offer you, this knowledge of a job well done is your greatest reward.

CPNY's congratulations to you -- we commend you, with pride, for your zeal, your patriotism, and your part in bringing this war to a nearer end.

Sincerely yours,

Byron H. Spinney

January 15, 1945.

Miss Edith Falk,
970 Park Avenue,
New York, New York.

My dear Miss Falk:

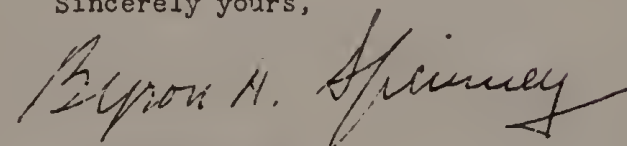

The final total for CPNY was \$1,409,087 -- 488%
of our quota of \$279,700, and more than twice the quota for
all of Censorship in the Sixth War Loan Drive!

This great achievement is a wonderful tribute to
the way you accepted the responsibility and then proceeded
to fulfil our faith in you. Only truly loyal, energetic
leaders could have done such an exemplary job.

You have every right to be proud of your record.
Censorship has demonstrated again that, given the opportu-
nity, we can "carry the ball."

The entire staff of Censorship thanks you for
your outstanding cooperation and efforts in behalf of a
quicker victory.

Sincerely yours,

Byron H. Spinney
